ATTENTION: Mr. Paul R. Steadman, M.P.H.

Dear Paul,

Since your visit to our plant site in late August, we have taken the following precautions as per your advice.

1. All tanks and drums which contained fuel oil were pumped out by Safety Kleen Corp. of Elgin, Illinois.
2. All tanks and drums with the exception of one tank have been removed from our property and sold as scrap.
3. The drums containing an asphalt anti-strip additive have been grouped together and covered with a tarp. (See enclosed pictures.)

Should you need any further information, please contact me.

Very truly yours,

ADVANCED ASPHALT CO.
